Lauren, see below Casey had some bootleg in Bridgeport last night.

-A lot of bootleg at the show. With the help of a couple local cops we were able to scurry off 6 people. Upon checking the stand after the initial rush for the IN, I notice another wave of people coming in with bootleg shirts. Walked back out into the parking lot and was able to scurry another 6 away. The blow-off was even worse as they were everywhere. I have attached a photo of the shirt.

Good evening all, attached are the bootlegs that were being sold in Lexington Kentucky tonight. It was the same 6 guys that were in Charleston, WV on Friday. All 6 of them were in front of the arena to start the show until we chased them off and then the same 6 came back at 9:30 pm and were actually inside the lobby right outside of the arena to end the night. Rupp arena security was very helping chasing them off and an off duty officer was even more helpful confiscating a few dozen shirts. All the returns are on the pallet coming back to the warehouse. Photos attached including the new 2019 bootleg.

**Jacksonville, FL (2/8/19): Counterfeit shirts being sold by SIX individuals, each carrying a large duffel bag full of these counterfeit shirts:**

## **Counterfeit Product Sold at WWE Live Events:**

**Most WWE counterfeit merchandise list WWE schedule of live event “tour” dates, indicating sellers’ intent to follow WWE and sell these shirts at all WWE events listed.**

**We might not be able to find 100% of the counterfeit merchandise being sold at our events, but we must have the ability to seize 100% of what we do find.**

## **Counterfeit Product Sold at WWE Live Events:**

- **Traditionally sized for children to wear or use**
- **Inferior shirt quality – could be flammable**
- **Inferior ink quality – could be flammable, cause allergic reactions**
- **Counterfeitors keep them “stored” in their pants until sale is made**
- **Often have strong, adverse odors not noticed until indoors**

**COUNTERFEIT PRODUCT  
POSES A SIGNIFICANT PUBLIC SAFETY RISK!**
